PSCA Shooter Incentive Program

In 2008 the PSCA is introducing a program to benefit shooters, clubs and the organization. We will be awarding guns and certificates for free entry fee to various Sporting Clays Events. The awards will be given out in a raffle at the PA State Championship. Program eligibility will be based on the following criteria:

- 1) Only registered targets shot in PA; 1/1/07 - 12/31/07 will be counted for the 2008 Drawing.
- 2) Any NSCA member in good standing who attends the PA State Championship as a competitor with a backtag number is eligible to win.

Prize eligibility will be based on the total number of targets shot during the previous calendar year and will have the following breakdown:

Eligible Level	# of Registered Targets	Available Prizes
Level I	500+	1 Gun
Level II	750+	3 PA Zone Shoot Entries
Level III	1000+	1 Gun + 3 PA Zone Shoot Entries
Level IV	1500 +	3 PA Zone Shoot Entries + 2 PA State Championship Entries
Level V	2000+	3 PA Zone Shoot Entries + 2 PA State Championship Entries + 1 Zone II Championship Entry
Level VI	3000+	2 PA State Championship Entries + 1 Zone II Championship Entry

Any eligible competitor may win a prize in each Level up to and including their total target level!

(I.e. you shoot 800 registered targets in 2007. You will be eligible to win a prize in the Level I & II drawings at the 2008 State Championship.)
